

DialCare Physician Access is an easy-use telemedicine solution for non-emergency illnesses and general care. Members and their families have direct access to state-licensed, fully credentialed doctors, via phone or video consultations, to receive treatment and advice for many common ailments. When medically appropriate, a DialCare doctor may even prescribe a short term, non-DEA controlled medication for the member to pick up at the pharmacy of their choice.

Doctors are available 24 hours a day, 365 days a year, allowing members and their families convenient access to quality care from home, work or on the go. And best of **all your services are 100% covered! There is \$0 Copay!**

When to use DialCare Physician Access:

- For non-emergency medical issues & questions
- During or after normal business hours, nights, weekends & holidays
- If the member lives a significant distance from a primary care doctor
- When a primary care doctor is not available
- When traveling & in need of non-urgent medical care advice
