

SAFE HARBOR

HEALTH

TOTAL Wellness Program

Participating in the TOTAL Wellness Program allows Employees to take advantage Tax Savings offered through a qualified ERISA plan.

Employees that agree to use the minimum amount of Qualified Medical services per year save an average of \$150 per month in taxes.

That's \$1,800 per year each employee can add to their take-home pay or use to purchase benefits without a reduction in their current paycheck!

\$0 Copay Member Benefits Include
